<input type="checkbox"/>	Landscaping Plan: Plan must include tree work as recommended in the Wildfire Hazard Assessment Report, replacement trees, quantity of fire-resistant plants, location of each fire-resistant plant to be installed, etc.
<input type="checkbox"/>	\$340 fee to Register Wildfire Hazard Development Permit to Title: Applicable to new single family dwellings, additions, or structures

DEFINITIONS

For Housing Form

Definitions:

Dwelling, Single Family: a building designed for use exclusively as a principal dwelling unit and includes a secondary suite and other accessory uses.

Secondary Suite: a dwelling unit accessory to a single family or two family dwelling use.

Detached Secondary Suite (Coach House): means a detached dwelling unit accessory to a single family dwelling use.

Dwelling, Duplex: a building designed, constructed and occupied or intended to be occupied as two separate dwelling units structurally adjoined side-by-side or one above the other and includes secondary suites and other accessory uses.

Dwelling, Multiplex: a building comprised of 3 to 6 separate dwellings and accessory uses.

Dwelling, Row/Townhouses: more than two attached self-contained dwellings with an internal stairway in each dwelling connecting between the main floor and upper floor(s).

Building, Apartment: A building, except as otherwise defined herein, containing three or more dwelling units in separate, multiple storeys, but does not include: (a) townhouses; or (b) dwellings over commercial premises.

Rental Units include purpose built rental and secondary rental (e.g., secondary suites, accessory dwellings, etc.).

Market Rental Units are units rented at market rate (i.e., without any legal restrictions binding the rental unit to a certain level of rent).

Non-Market Rental Units are units with a legal obligation (i.e., housing agreement, zoning) to be rented at a non-market rate.

Below Market Rental Units are units rented at or below 30% of the local Housing Income Limits (HIL) per unit size (please refer to most recent BC Housing HIL levels published for Vancouver).

Below Market Rental Units with On-Site Supports are units rented at the Income Assistance Shelter rate providing permanent housing and on-site supports for people to transition out of homelessness.

Supportive Housing: means an apartment use where at least one occupant of each unit is 65 years of age or older, or is a younger person with disabilities, which use:

- (a) must include a common resident dining room and appropriately-sized kitchen facilities, social and recreational areas and other common amenities and support for the benefit of on-site residents including housekeeping services; and
- (b) may include a dwelling unit for a resident manager, guest suites and a wellness centre.
